

General Theatre Information

All specifications here supersede any previous versions.

Dressing Rooms:

Upper Level

3 rooms, each accomodating up to 2-3 people

1 room accomodating up to 8 people

2 rooms, each accomodating up to 12 people

Lower Level

1 room accomodating up to 7 people

1 room accomodating up to 15 people

There are a number of rooms (not designed specifically as dressing rooms) that may be used for larger groups -- they will be assigned as needed, depending on availability.

Dressing rooms all have sinks, but there are no private restrooms. Each level has a Men's Room and Women's Room.

There are showers in the upper level restrooms only.

Unfortunately, dressing room space is severly limited so there is rarely available space for a production office, green room or crew lounge.

It is usual for Wardrobe to set up in the carpenter's shop, or our paint shop area. There are no lifts or elevators, so wardrobe trunks cannot be moved to the dressing rooms.

The following are NOT available: Sewing machines, washer/dryer, fax machine, or internet connection. There is access to a pay telephone in our loading dock area.
